

CONFLICT MINERAL POLICY

In August 2012, the United States Securities and Exchange Commission (“SEC”) issued its final rules regarding “Conflict Minerals” known as ‘3TG’ as defined in and required by section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Act”).

In 2017, the Conflict-Free Sourcing Initiative (CFSI) became Responsible Minerals Initiative (RMI), and released revised standards for the concerned minerals:

Coltan (columbite tantalite) and its derivatives (Tantalum)

Cassiterite and its derivatives (Tin)

Wolframite and its derivatives (Tungsten)

Gold

Ramco Europe is committed to the responsible sourcing of “Conflict Minerals” throughout our supply chain and continuing to comply with the underlying SEC rules and regulations surrounding “Conflict Minerals” to enable all Ramco Europe products as “conflict free”.
